SERVING OUR HEROES

In addition to providing affordable housing, we are dedicated to improving the overall well-being of veterans in Allegheny County. Through our 'Veterans Connect' program, we bridge the gap between veterans and the resources they need to thrive. By providing personalized support and guidance, veterans will be better equipped to navigate the complex landscape of available services and programs. We reach veterans wherever they are, and empower them to achieve their goals and lead fulfilling lives.

THE CHALLENGE

barriers to Veterans in accessing the services they need

Despite the many resources available to veterans, navigating the system can be challenging. For veterans who are homeless or at risk of homelessness, these challenges can be even greater. Best Pittsburgh's outreach program aims to address these challenges by bringing support services directly to veterans, in their communities, and connecting them with the resources they need to thrive.

THE SOLUTION

The Best Pittsburgh Outreach Program for Veterans consists of a team of dedicated professionals who are committed to supporting veterans. The team is led by a Case Manager who is responsible for connecting veterans with resources and providing ongoing support. We currently work closely with other organizations serving veterans, including the Second Avenue Commons, the Veterans Leadership Program, CHS, Foundation of Hope, and other Allegheny County organizations.
